Exhibit A Form of Lease Supplement	

THIS LEASE OF RAILROAD EQUIPMENT (CNW 1994-B) dated as of December 1, 1994 (this "Lease") between CHICAGO AND NORTH WESTERN RAILWAY COMPANY, a Delaware corporation (the "Lessee"), and SHAWMUT BANK CONNECTICUT, NATIONAL ASSOCIATION, a national banking association, not individually but solely as Owner Trustee (the "Lessor") under a Trust Agreement (CNW 1994-B) dated as of the date hereof (the "Trust Agreement").

W I T N E S S E T H T H A T:

WHEREAS, the Lessee has entered into a Purchase Agreement with the Seller (such term and other capitalized terms used herein being defined as hereinafter provided), pursuant to which the Seller has agreed to sell to the Lessee the Units of Equipment described in Schedule A hereto, and the Lessee is assigning its rights in such Purchase Agreement to the Lessor pursuant to the Purchase Agreement Assignment;

WHEREAS, the Owner Participant has entered into the Trust Agreement with the Lessor whereby the Lessor is to acquire and hold the Trust Estate for the benefit of the Owner Participant;

WHEREAS, pursuant to the Pass Through Trust Agreement, a separate grantor trust will be created to facilitate the financing contemplated hereby;

WHEREAS, the Owner Participant, the Lessee, the Indenture Trustee, the Pass Through Trustee and the Owner Trustee have entered into the Participation Agreement, subject to the terms and conditions of which the Owner Participant and the Loan Participant agree to finance the purchase of the Equipment;

WHEREAS, the Owner Trustee and the Indenture Trustee, for the benefit of the Holders, are concurrently entering into the Indenture, whereby the Owner Trustee agrees, among other things, (i) to provide for the issuance by the Owner Trustee of the Equipment Notes and (ii) to provide for the assignment, mortgage and pledge by the Owner Trustee to the Indenture Trustee, as part of the Indenture Estate under the Indenture, among other things, of, and the grant of a security interest in, certain of the Owner Trustee's right, title and interest in and to the Equipment and the Operative Agreements and certain payments and other amounts received under any Operative Agreement, in accordance with the terms thereof, in trust, as security for, among other things, the Owner Trustee's obligations under the Equipment Notes; and

WHEREAS, concurrently the Lessor desires to undertake herein to lease to the Lessee, and the Lessee desires to undertake herein to lease from the Lessor, the Equipment, as more fully hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Definitions.

All capitalized terms used herein shall have the respective meanings set forth in Appendix A hereto for all purposes of this Lease. All references in this Lease to Sections and Exhibits refer, unless otherwise specified, to Sections of and Exhibits to this Lease.

Section 2. Net Lease.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent or additional rent, or setoff (except as provided in Section 4.3 hereof) against or recoupment or reduction of rent or additional rent, including, but not limited to, abatements, setoffs, reductions or recoupments due or alleged to be due by reason of any past, present or future claims or counterclaims of the Lessee against the Lessor, the Owner Participant, the Indenture Trustee or any Loan Participant under this Lease or the Participation Agreement or otherwise. The Lessee's obligations hereunder to pay Basic Rent and Supplemental Rent due by the Lessee hereunder, shall be absolute and unconditional under any and all circumstances, and, except as otherwise expressly provided herein, this Lease shall not terminate, nor shall the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in, whether latent or patent, or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any Person, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the Basic Rent and Supplemental Rent payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

To the extent permitted by Applicable Law, the Lessee hereby waives any and all rights which it may now have, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each payment of Basic Rent and of Supplemental Rent made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor or the Indenture Trustee for any reason whatsoever. If for any reason whatsoever this Lease shall be terminated in whole or in part by operation of law or otherwise, except as specifically provided herein, the Lessee nonetheless agrees, subject to Section 4.3 hereof, to the maximum extent permitted by law, to pay to the Lessor or to the Indenture Trustee, as the case may be, an amount equal to each installment of Basic Rent and all Supplemental Rent due and owing at the time such payment would have become due and payable in accordance with the terms hereof had this Lease not been terminated in whole or in part. Nothing contained herein shall be construed to waive any claim which the Lessee might have under any of the Operative Agreements or otherwise or to limit the right of the Lessee to

make any claim it might have against the Lessor or any other Person or to pursue such claim in such manner as the Lessee shall deem appropriate.

Section 3. Delivery, Acceptance and Leasing of Units.

The Lessor hereby authorizes one or more employees of the Lessee, designated by the Lessee, to act on behalf of the Lessor as its authorized representative or representatives to accept delivery of each Unit from the Seller, as evidenced by the Lessee's execution and delivery of a Certificate of Acceptance with respect to such Unit, all in accordance with Section 2.1 of the Participation Agreement. The Lessee hereby agrees that such acceptance of delivery by such authorized representative or representatives on behalf of the Lessor shall, without further act, irrevocably constitute acceptance by the Lessee of such Unit for all purposes of this Lease; provided that the delivery and acceptance hereunder of any Unit excluded from the Participation Agreement pursuant to Section 4.5 thereof shall be null and void and ineffective to subject such Unit to this Lease or to constitute acceptance thereof on behalf of the Lessor for any purpose.

On each Funding Date, the Lessee and the Lessor will execute a Lease Supplement covering the Units purchased by the Lessor on such Funding Date, and the Lessor agrees to lease such Units to Lessee hereunder, and Lessee agrees to lease from the Lessor hereunder, such Units on each such Funding Date.

Section 4. Rent.

4.1. Basic Rent and Interim Rent. (a) The Lessee agrees to pay to the Lessor, as installments of Basic Rent for each Unit throughout the Base Lease Term applicable thereto in consecutive semiannual installments, Basic Rent payable on the Rent Payment Dates set forth in Schedule 3 to the Participation Agreement. The installments of Basic Rent for each Unit shall each be in an amount equal to the percentage set forth under the caption "Total Rent" in Schedule 3 to the Participation Agreement for the applicable Rent Payment Date multiplied by the Equipment Cost of such Unit.

(b) If any Adjustment Event set forth in Section 2.7 of the Participation Agreement occurs, Basic Rent and the related Stipulated Loss Values, Termination Values, EBO Amount and EBO Date will be adjusted, as provided in Section 2.7 of the Participation Agreement but subject in all cases to Section 4.1(c) hereof.

(c) Anything contained herein or in the Participation Agreement to the contrary notwithstanding, each installment of Basic Rent (both before and after any adjustment pursuant to Section 2.7 of the Participation Agreement) and the related Stipulated Loss Values, Termination Values and EBO Amount shall be, under any circumstances and in any event, in an amount which, together with any other amounts required to be paid by Lessee, will be at least sufficient for the Lessor to pay in full, as of the due date of such installment, any payment of principal of and interest on the Equipment Notes in addition to

any other amounts required to be paid by the Lessor pursuant to the Indenture on such due date.

(d) Basic Rent shall be payable in advance on certain Rent Payment Dates, and in arrears on certain Rent Payment Dates, as specified in Schedule 3 to the Participation Agreement, such Schedule 3 to the Participation Agreement as so adjusted from time to time being incorporated herein by reference.

(e) If any of the Rent Payment Dates referred to above are not Business Days, the installment of Basic Rent otherwise payable on such Rent Payment Date shall be payable on the next succeeding Business Day.

(f) With respect to Units funded on the Initial Funding Date, the Lessee agrees to pay to the Lessor on the Base Lease Term Commencement Date interim rent accruing from the 180th day following the Initial Funding Date to and including the Base Lease Term Commencement Date in the amount set forth in Schedule 3 to the Participation Agreement.

4.2. Supplemental Rent. The Lessee also agrees to pay to the Lessor, or to whomsoever shall be entitled thereto, any and all Supplemental Rent, promptly as the same shall become due and owing, or where no due date is specified, promptly after demand by the Person entitled thereto, and in the event of any failure on the part of the Lessee to pay any Supplemental Rent, the Lessor shall have all rights, powers and remedies provided for herein or by law or equity or otherwise as in the case of nonpayment of Basic Rent. The Lessee will also pay, as Supplemental Rent (i) on demand, to the extent permitted by Applicable Law, an amount equal to interest at the applicable Late Rate on any part of any installment of Basic Rent not paid when due for any period for which the same shall be overdue and on any payment of Supplemental Rent not paid when due or demanded, as the case may be, for the period from such due date or demand until the same shall be paid, (ii) in the case of the termination of this Lease with respect to any Unit pursuant to Section 10, 17 or 21 hereof, on the applicable date, an amount equal to the Make-Whole Premium, if any, with respect to the principal amount of each Equipment Note to be prepaid as a result of such termination, and (iii) in the case of any refinancing of the Equipment Notes pursuant to Section 10.2 of the Participation Agreement on the date of such refinancing, an amount equal to the Make-Whole Premium, if any, with respect to the aggregate principal amount of the Equipment Notes to be prepaid on such date. All Supplemental Rent to be paid pursuant to this Section 4.2 shall be payable in the type of funds and in the manner set forth in Section 4.4 hereof.

4.3. Advances. The Lessee shall pay as Supplemental Rent, on January 1, 1995 and on the Base Lease Term Commencement Date, an amount, if any, equal to the amounts then due and payable to the Loan Participants on such dates under the Equipment Notes as specified in Section 2.3(c) of the Participation Agreement (such payments being referred to herein as "Advances") unless the Indenture Trustee on such date or on the Base Lease Term Commencement Date shall have received funds from the Owner Trustee

sufficient for the payment in full of the amounts then due and owing on the Equipment Notes. In the event the Lessee makes such Advances pursuant to this Section 4.3 and is not promptly reimbursed therefor by the Owner Participant after demand for such reimbursement, the Lessee, provided that no Lease Event of Default has occurred and is continuing, shall be entitled to offset and deduct (without duplication) against each succeeding payment or portion thereof of Basic Rent, Supplemental Rent, Stipulated Loss Value, Termination Value or any other amount due from the Lessee to Persons other than the holders of the Equipment Notes, the Indenture Trustee and the Owner Trustee in its individual capacity an amount equal to such Advance plus interest on such amount at the Late Rate until the Lessee has been fully reimbursed for such Advances plus such interest and, in each such case, such offset shall be deemed to constitute a reduction in the amount of such Advances so payable. No such offset or aggregate combined effect of separate offsets shall reduce the amount of any installment of Basic Rent to an amount that is insufficient to pay in full the payments then required to be made on account of the principal and interest on the Equipment Notes then outstanding; and no limitation or restriction on the ability of the Lessee to effect any such offset or deduction shall result in a reduction of the amount of such Advances otherwise payable.

4.4. Manner of Payments. All Rent (other than Supplemental Rent payable to Persons other than the Lessor, which shall be payable to such other Persons in accordance with written instructions furnished to the Lessee by such Persons, as otherwise provided in any of the Operative Agreements or as required by law) shall be paid by the Lessee to the Lessor at its offices at 777 Main Street, Hartford, Connecticut 06115, Attention: Corporate Trust Administration - Chicago and North Western Railway Company (CNW 1994-B). All Rent shall be paid by the Lessee in funds consisting of lawful currency of the United States of America, which shall be immediately available to the recipient not later than 12:00 noon (New York City time) on the date of such payment, provided that, so long as the Indenture shall not have been discharged pursuant to the terms thereof, the Lessor hereby irrevocably directs, and the Lessee agrees, that all Rent (excluding payments in respect of Excepted Property) payable to the Lessor and assigned to the Indenture Trustee shall be paid directly to the Indenture Trustee (for application as provided in the Indenture) at the times and in funds of the type specified in this Section 4.4 at the office of the Indenture Trustee at 311 West Monroe Street, Chicago, Illinois 60606, Attention: Indenture Trust Division (CNW 1994-B), or at such other location in the United States of America as the Indenture Trustee may otherwise direct in writing to the Lessee.

#### Section 5. Term of Lease.

The Interim Term of this Lease (the "Interim Term") for each Unit shall commence on the Acceptance Date of such Unit and shall terminate at 11:59 P.M. (Chicago time) on the day immediately preceding the Lease Term Commencement Date. The base term of this Lease (the "Base Lease Term") shall commence at 12:00 A.M. (Chicago time) on the Base Lease Term Commencement Date and, subject to earlier termination pursuant to this Lease, shall expire at 11:59 P.M. (Chicago time) on the Base Lease Term Expiration Date. Subject and pursuant to Section 16 hereof, the Lessee may elect one or more Renewal

Terms with respect to the Units subject to this Lease. The obligations of the Lessee hereunder (including, but not limited to, the obligations under Sections 4, 7, 9 and 18 hereof) and under the Tax Indemnity Agreement shall survive the expiration or termination of the term of this Lease and the full payment of all amounts payable under this Lease.

Section 6. Ownership of and Identification Marks on Equipment.

6.1. Retention of Title. The Lessor shall and hereby does retain full legal title to and beneficial ownership of the Equipment notwithstanding the delivery of the Equipment to the Lessee hereunder.

6.2. Duty to Number and Mark Equipment. As soon as practicable after the execution of the respective Certificate of Acceptance, the Lessee will cause each Unit to be numbered with its reporting mark shown on Schedule A hereto and covering such Unit. The Lessee will not change the reporting mark of any Unit except in accordance with a statement of new reporting marks to be substituted therefor, which statement shall be delivered to the Lessor by the Lessee and a supplement to this Lease and the Indenture with respect to such new reporting marks shall be filed, recorded or deposited in all public offices where this Lease and the Indenture shall have been filed, recorded or deposited and upon delivery to the Lessor and the Indenture Trustee of an opinion of counsel to the effect that such statement has been so filed, recorded or deposited that such filing, recordation or deposit will protect the Lessor's, the Owner Participant's and the Indenture Trustee's rights in such Units and that no other filing, recording, deposit or giving of notice with or to any Governmental Authority is necessary to protect the rights of the Lessor, the Owner Participant and the Indenture Trustee in such Units. The costs and expenses of all such supplements, filings or recordings shall be borne by the Lessee.

6.3. Prohibition Against Certain Designations. Except as above provided, the Lessee shall not allow the name of any Person to be placed on any Unit as a designation that might reasonably be interpreted as a claim of ownership; provided, however, that, subject to the delivery of the statement specified in the third sentence of Section 6.2 hereof, if applicable, the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or any permitted sublessees or any of their respective Affiliates on railroad equipment used by it of the same or a similar type.

Section 7. Maintenance; Operation; Possession.

7.1. Maintenance. The Lessee, at its own cost and expense, shall maintain, service, test, repair and keep each Unit (i) in good operating condition, reasonable wear and tear excepted, (ii) in good physical condition, reasonable wear and tear excepted, (iii) in a manner consistent with maintenance practices used by the Lessee in respect of equipment owned or leased by the Lessee similar in type to such Unit, (iv) in a manner that reasonably takes into account the manufacturer's recommendations and standards for equipment of this type and (v) in compliance, with all Applicable Laws and regulations, including any applicable Interchange Rules, of the ICC and the Federal Railroad Administration as

applicable to continued use by the Lessee and at all times qualified for interchange except when being maintained, serviced or repaired; provided, however, that the Lessee may, in good faith and by appropriate proceedings diligently conducted, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner that does not materially adversely affect the rights or interests of the Lessor or the Indenture Trustee in the Equipment or hereunder or otherwise expose the Lessor, the Indenture Trustee or any Participant to criminal sanctions or release the Lessee from the obligation to return the Equipment in compliance with the provisions of Section 18 hereof. The Lessee shall provide the Lessor with notice of any contest of the type described in the preceding sentence in detail sufficient to enable the Lessor to ascertain whether such contest may have an effect of the type described in the preceding sentence. In no event shall the Lessee discriminate as to the use or maintenance of any Unit as compared to equipment of a similar nature which the Lessee owns or leases. The Lessee will maintain all records, logs and other materials required by applicable governmental authorities having jurisdiction over the Units required to be maintained in respect of a Unit, all as if the Lessee were the owner of such Units, regardless of whether any such requirements, by their terms are nominally imposed on the Lessee, the Lessor or the Owner Participant.

7.2. Possession. The Lessee shall be entitled to the possession of the Equipment and to the use of the Equipment by it or any Affiliate in the general operation of freight rail business upon lines of railroad owned or operated by it or any such Affiliate, upon lines of railroad over which the Lessee or any such Affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such Affiliate is regularly operated pursuant to contract and on railroad lines of other railroads in the United States, Canada and Mexico, in the usual interchange of traffic or in through or run-through service and shall be entitled to permit the use of such Unit upon connecting and other carriers in the usual interchange of traffic or pursuant to through or run-through agreements. In no event shall more than fifteen percent (15%) of the Units then subject to this Lease be assigned to service in Mexico at the same time unless and until a method of perfection of the Lien of the Indenture Trustee and the interests of the Lessor becomes law in Mexico and the Lessee at its own expense shall have caused such law to be complied with; provided, however, that the Lessee shall have delivered to the Owner Participant and the Indenture Trustee a legal opinion in form and scope reasonably satisfactory to the Owner Participant and the Indenture Trustee of independent counsel, selected by the Lessee and reasonably acceptable to the Owner Participant and the Indenture Trustee, stating that under the laws of Mexico all filings, notices, recordings or other actions necessary or appropriate to perfect such rights have been made. The Lessee shall pay all of the Owner Trustee's, the Owner Participant's and the Indenture Trustee's reasonable out-of-pocket expenses (including legal fees) incurred in connection therewith. Nothing in this Section 7.2 shall be deemed to constitute permission by the Lessor to any Person that acquires possession of any Unit to take any action inconsistent with the terms and provisions of this Lease and any of the other Operative Agreements. The rights of any Person that acquires possession of any Unit pursuant to this Section 8.2 shall be subject and subordinate to the rights of the Lessor hereunder.

Section 8. Loss, Destruction, Requisition, Etc.

8.1. Event of Loss. In the event that any Unit shall (i) be returned permanently to the builder thereof in connection with a warranty or patent indemnity settlement; (ii) in the reasonable opinion of the Lessee, be destroyed, irreparably damaged or rendered unfit for service from any cause whatsoever; (iii) be stolen or become lost; or (iv) be condemned, confiscated, seized or title taken for use by any government (the "Government") (any such occurrence being hereinafter called an "Event of Loss"), prior to the return of such Unit in the manner set forth in Section 18 hereof, the Lessee shall determine the date of such Event of Loss and provide the Lessor, the Owner Participant and the Indenture Trustee with written notice thereof as provided below.

8.2. Replacement or Payment of Stipulated Loss Value upon Event of Loss. Upon the occurrence of an Event of Loss with respect to any Unit, the Lessee shall within 30 days after a Responsible Officer of the Lessee shall have actual knowledge of such Event of Loss give the Lessor and the Indenture Trustee notice of such occurrence and of its election to perform one of the following options.

On or before the Rent Payment Date next succeeding the 30th day following the date of notice of such Event of Loss, the Lessee shall either

(i) comply with Section 8.4(b) hereof and shall convey or cause to be conveyed to the Lessor a Replacement Unit to be leased to the Lessee hereunder, such Replacement Unit to be free and clear of all Liens (other than Permitted Liens) and to have a value, utility and useful life at least equal to the Unit so replaced immediately prior to such Event of Loss (assuming such Unit was in the condition required to be maintained by the terms of this Lease); provided that, if the Lessee shall not perform its obligation to effect such replacement under this paragraph (i) during the period of time provided herein, then the Lessee shall pay on the next succeeding Determination Date that is at least 25 days after the end of such period to the Lessor, or in the case of Supplemental Rent, to the Person entitled thereto, the amounts specified in paragraph (ii) below; or

(ii) pay or cause to be paid to the Lessor or, in the case of Supplemental Rent, to the Persons entitled thereto, in funds of the type specified in Section 4.4 hereof, (A) an amount equal to the Stipulated Loss Value of each such Unit determined as of such Rent Payment Date, (B) all Basic Rent payable in arrears on such date in respect of such Unit and (C) all other Rent (other than Basic Rent payable in advance on such date in respect of such Unit) then due and payable hereunder, it being understood that until such Stipulated Loss Value is paid, there shall be no abatement or reduction of Basic Rent.

8.3. Rent Termination. Upon the election by the Lessee to pay all sums required to be paid pursuant to paragraph (ii) of Section 8.2 above in respect of any Unit or Units which have suffered an Event of Loss and upon payment of such sums, the Lease

Term with respect to such Unit or Units and the obligation to pay Rent for such Unit or Units accruing subsequent to the date of payment of Stipulated Loss Value pursuant to Section 8.2 above shall terminate; provided that the Lessee shall be obligated to pay all Rent in respect of such Unit or Units that has accrued up to and including the date of payment of Stipulated Loss Value pursuant to Section 8.2 above.

8.4 Disposition of Equipment. (a) Upon full compliance with Section 8.2 hereof by the Lessee in respect of any Unit or Units, the Lessor will convey to the Lessee or to the Lessee's designee, all right, title and interest of the Lessor in and to such Unit or Units, "AS IS", "WHERE IS", without recourse or warranty, except for a warranty against the Lessor's Liens, and shall execute and deliver to the Lessee or to the Lessee's designee, such bills of sale and other documents and instruments as the Lessee or its designee may reasonably request to evidence such conveyance. As to each separate Unit so disposed of, the Lessee or its designee shall be entitled to any amounts arising from such disposition, plus any awards, insurance or other proceeds and damages (including any Association of American Railroads interline settlement paid upon an Event of Loss) received by the Lessee, the Lessor or the Indenture Trustee by reason of such Event of Loss after having fully complied with Section 8.2 hereof; provided, however, that, with respect to any Event of Loss referred to in clause (iv) of Section 8.1 hereof, any excess of any condemnation awards over the amount of the Stipulated Loss Value of such Unit shall be divided between the Lessor and the Lessee as their respective interests may appear.

(b) At the time of or prior to any replacement of any Unit, the Lessee, at its own expense, will (i) furnish the Lessor with a full warranty bill of sale and an assignment of warranties with respect to the Replacement Unit, (ii) cause a Lease Supplement, subjecting such Replacement Unit to this Lease, duly executed by the Lessee, to be delivered to the Lessor for execution and, upon such execution, such Lease Supplement or a memorandum thereof to be filed, recorded and deposited in the same manner as provided for the original Lease Supplement in Section 19 hereof, (iii) so long as the Indenture shall not have been satisfied and discharged, cause an Indenture Supplement substantially in the form of Exhibit A to the Indenture for such Replacement Unit to be delivered to the Lessor and to the Indenture Trustee for execution and, upon such execution, such Indenture Supplement or a memorandum thereof to be filed, recorded and deposited in the same manner as provided for the original Indenture Supplement in Section 19 hereof, (iv) so long as the Indenture shall not have been satisfied and discharged, cause a financing statement or statements with respect to the Replacement Unit to be filed in such place or places as necessary in order to perfect the security interest therein created by or pursuant to the Indenture and, (v) furnish the Lessor with an opinion of the Lessee's counsel (which may be the Lessee's in-house counsel), to the effect that the Owner Trustee, as Lessor under the Lease, and the Indenture Trustee, as assignee of the Owner Trustee's rights under the Lease pursuant to the Indenture, on behalf of the Holders, are entitled to the benefits of 11 U.S.C. § 1168 with respect to the Replacement Units, if any, to the same extent as they were so entitled with respect to the replaced Units, if any. For all purposes hereof, upon passage of title thereto to the Lessor, the Replacement Unit shall be deemed part of the property leased

hereunder and the Replacement Unit shall be deemed a "Unit" of Equipment as defined herein.

8.5. Eminent Domain. In the event of the requisition (other than a requisition that constitutes an Event of Loss) for use by the Government of any Unit during the term of this Lease, all of the Lessee's obligations (including, without limitation, the obligation to pay Rent) under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that, if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Lessor in the manner set forth in Section 18 hereof promptly upon such return by the Government, but the Lessee shall in all other respects comply with the provisions of said Section 18 with respect to such Unit. All payments received by the Lessor or the Lessee from the Government for the use of such Unit in respect of the term of this Lease shall be paid over to, or retained by, the Lessee, provided no Lease Event of Default shall have occurred and be continuing, in which case any such payments shall be paid over to, or retained by, the Lessor; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit in respect of the period after the term of this Lease shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this Section 8 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Event of Loss or other damage to or destruction or loss of any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

Section 9. Insurance.

9.1. Property Damage and Public Liability Insurance. (a) The Lessee will, at all times prior to the return of the Units to the Lessor, at its own expense, cause to be carried and maintained with reputable insurance companies (i) property damage insurance in respect of such Units at the time subject hereto and (ii) public liability insurance with respect to third-party personal and property damage, and the Lessee will continue to carry such insurance in such amounts and for such risks and with such insurance companies and subject to such self-insurance as deemed appropriate by the Lessee, but in any event not less comprehensive in amounts and against risks customarily insured against by the Lessee in respect of equipment owned or leased by it similar in type to the Equipment and consistent with prudent Class I railroad industry standards, if any. Any policies of insurance carried in accordance with this Section 9.1 and any policies taken out in substitution or replacement for any of such policies (A) shall provide that if any such insurance is cancelled for any reason whatsoever the Lessee shall receive 30 days' prior notice of such cancellation, (B) shall name the Owner Participant, the Lessor, as the Lessor of the Equipment and in its individual capacity, and the Indenture Trustee as additional insureds as their interests may appear, and (C) shall be primary without right of contribution from any insurance carried by Lessor, the Owner Participant or the Indenture Trustee. None of the Owner Participant, the Owner Trustee and the Indenture Trustee shall have any obligation or liability for premiums, commissions, assessments or calls or advances in connection with such insurance.

(b) Certificate of Insurance. The Lessee shall, as soon as practicable after delivery and acceptance of any Unit but in any event prior to the Debt Closing Date and when the renewal certificate referred to below is sent (but in any event not less than annually), furnish the Lessor, the Owner Participant and the Indenture Trustee with a certificate signed by the insurer or an independent insurance broker showing the insurance then maintained by the Lessee pursuant to this Section 9.1 and, with respect to any renewal policy or policies, shall furnish certificates or binders evidencing such renewal as soon as practicable, but in no event later than 30 days after such renewal is effect or, if earlier, the expiration date of the original policy or policies.

9.2. Proceeds of Insurance. The entire proceeds of any property or casualty insurance or third party payments for damages to any Unit (including any Association of American Railroads interline settlements) received by the Lessor or the Indenture Trustee shall be held by such party until, with respect to such Unit, the repairs referred to in clause (a) below are made as specified therein or payment of the Stipulated Loss Value is made or Section 8.4(b) hereof has been complied with, and such entire proceeds will be paid, so long as no Lease Event of Default shall have occurred and be continuing, either: (a) to the Lessee promptly following receipt by the Indenture Trustee or the Lessor, as the case may be, of a written application signed by the Lessee for payment to the Lessee for repairing or restoring the Units which have been damaged so long as (i) the Lessee shall have complied with the applicable provisions of the Lease, and (ii) the Lessee shall have certified that any damage to such Units shall have been fully repaired or restored; or (b) if this Lease is terminated with respect to such Unit because of an Event of Loss and the Lessee has paid the Stipulated Loss Value and other sums required to be paid pursuant to Section 8.2 hereof due as a result thereof or has complied with Section 8.4(b) hereof, such proceeds shall be promptly paid over to, or retained by, the Lessee. During the continuance of any Lease Event of Default, such proceeds shall be paid, so long as any Equipment Notes are outstanding, to the Indenture Trustee or, in the event that no Equipment Notes are outstanding, to the Lessor.

9.3. Additional Insurance. In the event that the Lessee shall fail to maintain insurance as herein provided, the Lessor may at its option, upon ten Business Days' prior written notice to the Lessee, provide such insurance and, in such event, the Lessee shall, upon demand from time to time, reimburse the Lessor for the cost thereof together with interest from the date of payment thereof, on the amount of the cost to the Lessor of such insurance which the Lessee shall have failed to maintain, at the applicable Late Rate. In addition, at any time the Lessor (either directly or in the name of the Owner Participant) may at its own expense carry insurance with respect to its interest in the Units, provided that such insurance does not interfere with the Lessee's ability to insure the Equipment as required by this Section 9 or adversely affect the Lessee's insurance or the cost thereof, it being understood that all salvage rights to each Unit shall remain with the Lessee's insurers at all times. Any insurance payments received from policies maintained by the Lessor pursuant to the previous sentence shall be retained by the Lessor without reducing or otherwise affecting the Lessee's obligations hereunder.

Nothing herein shall be construed to prohibit the Lessor, the Owner Participant or the Indenture Trustee from carrying any insurance on the Equipment for its own benefit; provided, however, that any such insurance shall not require any premiums to be paid by the Lessee nor shall any such insurance require the Lessee to carry additional insurance not specifically required of the Lessee herein.

Section 10. Voluntary Termination.

10.1. Right of Termination. (a) In the event that the Lessee shall, in its sole discretion (as evidenced by an Officer's Certificate delivered by the Lessee to the Lessor and the Indenture Trustee), determine that any of the Units subject to this Lease have become uneconomic to use or surplus to the Lessee's requirements (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and no fewer than five (5) Units to be returned to the Lessor at the end of the Lease Term hereunder if any Units are continued to be leased hereunder), the Lessee shall have the right, at its option on or after the fifth anniversary of the Funding Date applicable to such Units to terminate the Lease Term with respect to such Units on at least 90 days' prior written notice to the Lessor, the Owner Participant and the Indenture Trustee, and to terminate this Lease as to such Units as of the Rent Payment Date specified in such notice (hereinafter called the "Termination Date"). The Lessee may revoke prior to the date the Indenture Trustee sends notice of prepayment of the Equipment Notes any notice of termination up to two times but may not revoke thereafter and the Lessee shall reimburse the Owner Participant for all costs and expenses incurred by the Owner Participant resulting from such revocation.

(b) The Lessee, at its sole cost and expense, shall use its best efforts to, and each of the Lessor and the Owner Participant may if it so chooses, obtain bids for the purchase of all the Units referred to in clause (a) above and the Lessee shall at least five Business Days prior to the Termination Date provide in writing to the Lessor and the Owner Participant the amount of each such bid and the name and address of the party submitting such bid. Subject to Section 10.2 hereof, on the Termination Date, the Lessor shall sell all the Units referred to in clause (a) above for cash to the bidder who shall have submitted the highest bid prior to the Termination Date. The total sale price (which amount could be equal to \$1.00) realized at any such sale shall be retained by the Lessor and on the Termination Date the Lessee shall pay to the Lessor (i) the excess, if any, of the Termination Value for each such Unit computed as of such date over the net sale price of such Unit, (ii) an amount equal to the Make-Whole Premium, if any, required to be paid by the Lessor under the Indenture in respect of such termination, (iii) all other Supplemental Rent due and owing on such Termination Date and (iv) the Basic Rent due and payable in arrears on or prior to such Termination Date. Upon payment to the Lessor of the sale price in immediately available funds (and all other amounts due pursuant to this clause (b) on the Termination Date) the Lessor shall sell all right, title and interest of the Lessor in and to such Units to the purchaser, and this Lease and the obligations (other than those that survive pursuant to Section 31 hereof) of the Lessee with respect to such Units hereunder shall terminate concurrently with such sale. On the Termination Date, the Lessor shall execute and deliver

to such purchaser a bill of sale conveying all right, title and interest of the Lessor in and to such Unit or Units, on an "AS IS", "WHERE IS" basis without recourse or warranty (except for a warranty against Lessor's Liens) and such other instruments as such purchaser may reasonably request to evidence the valid consummation of such transfer. If no sale shall have occurred, this Lease shall continue in full force and effect with respect to such Units. The Lessee, in acting as agent for the Lessor, shall have no liability to the Lessor for failure to obtain the best price, shall act in its sole discretion and shall be under no duty to solicit bids publicly or in any particular market. The Lessee's sole interest in acting as agent shall be to sell the Units at a price that reduces or eliminates the Lessee's obligation to pay the amount provided in this clause (b).

10.2. Retention of Equipment by the Lessor. Notwithstanding the provisions of Section 10.1 hereof, the Lessor may, by irrevocable written notice to the Lessee given within 15 Business Days after receipt of the Lessee's notice of termination, elect to retain all of the Units referred to in Section 10.1(a) above, in which case (1) the Lessee shall pay to the Lessor an amount equal to the Make-Whole Premium, if any, required to be paid by the Lessor under the Indenture in respect of such termination and all other Supplemental Rent due and owing on such Termination Date and the Basic Rent due and payable in arrears on or prior to such Termination Date; provided that any Supplemental Rent to be paid to Persons other than the Lessor shall be paid directly to such Persons, (2) the Lessee will discontinue efforts to sell the Equipment, (3) the Lessee shall deliver all such Units to the Lessor or its order in the manner and condition required by, and otherwise in accordance with, all of the provisions of Section 18 hereof and (4) the Lessee shall have no obligation to pay Termination Value. If the Lessor elects to retain the Units as provided in this Section 10.2, then the Lessor shall pay, or cause to be paid, to the Indenture Trustee in funds of the type and in an amount equal to the outstanding principal amount of the Equipment Notes issued in respect of such terminated Units and all accrued and unpaid interest to the date of prepayment of such Equipment Notes on such Termination Date; provided that if the Lessor shall have breached its obligation to pay all such amounts to the Indenture Trustee on the Termination Date, this Lease shall continue in full force and effect. If the Lessor shall fail to prepay the Equipment Notes pursuant to this Section 10.2 and as a result thereof this Lease shall not be terminated with respect to the terminated Units on a proposed Termination Date, (x) the Lessor shall thereafter no longer be entitled to exercise its election to retain such terminated Units, (y) the Lessor shall pay any and all damages incurred as a result of the Lessor's breach and (z) the Lessee may thereafter designate by notice to the Lessor and the Indenture Trustee a new Termination Date occurring not less than 5 days after the date of such notice.

10.3. Expiration of Lease. Upon the sale or transfer, or retention by the Lessor, of any Unit in compliance with Section 10.1 or 10.2 hereof (including the making of all payments therein specified), and upon compliance by the Lessee with the other provisions of this Section 10, including, without limitation, the Lessee's obligation to pay the amounts required pursuant to Section 18(c), the Lease Term with respect to such Unit shall expire, and after such expiration the Lessee shall have no further obligation to pay Basic Rent in respect thereof.

Section 11. Inspection.

The Lessor, the Owner Participant or the Indenture Trustee, at its sole cost and expense, shall have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times and locations as the Lessor, the Owner Participant or the Indenture Trustee may request during the continuance of this Lease (and prior to any Lease Event of Default, the Lessor, the Owner Participant and the Indenture Trustee shall give the Lessee reasonable prior written notice of such an inspection), but neither the Lessor nor the Owner Participant nor the Indenture Trustee shall have any obligation to do so.

Section 12. Disclaimer of Warranties: Compliance with Laws and Rules.

12.1. Disclaimer of Warranties. Without waiving any claim Lessee may have against any seller, supplier or manufacturer, LESSEE ACKNOWLEDGES AND AGREES THAT LESSOR LEASES AND LESSEE TAKES EACH UNIT "AS-IS", "WHERE-IS" AND "WITH ALL FAULTS", IN WHATEVER CONDITION IT MAY BE, AND LESSEE ACKNOWLEDGES THAT NEITHER THE LESSOR, AS LESSOR OR IN ITS INDIVIDUAL CAPACITY, NOR THE OWNER PARTICIPANT NOR THE INDENTURE TRUSTEE MAKES, HAS MADE NOR SHALL BE DEEMED TO MAKE AND EACH EXPRESSLY DISCLAIMS, ANY AND ALL RIGHTS, CLAIMS, WARRANTIES OR REPRESENTATIONS, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, OPERATION, DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN OR CONFORMITY THEREOF TO SPECIFICATIONS, FREEDOM FROM PATENT, COPYRIGHT OR TRADEMARK INFRINGEMENT, THE ABSENCE OF ANY LATENT OR OTHER DEFECT OR AS TO THE ABSENCE OF ANY OBLIGATIONS BASED ON STRICT LIABILITY IN TORT, THE UNITS OR ANY COMPONENT DELIVERED TO THE LESSEE HEREUNDER. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE LESSEE WAIVES ANY AND ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE AND ANY RIGHTS NOW OR HEREAFTER CONFERRED BY STATUTE OR OTHERWISE THAT MAY LIMIT OR MODIFY THE OWNER PARTICIPANT'S OR THE OWNER TRUSTEE'S RIGHTS AS DESCRIBED IN THE LEASE. NEITHER THE LESSOR NOR THE OWNER PARTICIPANT NOR THE INDENTURE TRUSTEE MAKES ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR AS TO THE LESSEE'S RIGHT TO QUIET ENJOYMENT THEREOF (EXCEPT, IN THE CASE OF THE LESSOR, AS TO ACTS OR OMISSIONS OF THE LESSOR), OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks, as among the Lessor, the Owner Participant, the Indenture Trustee and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for

the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the manufacturer of the Units; provided, however, that if at any time a Lease Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights and terminate such power of attorney. Neither the Lessor nor the Owner Participant nor the Indenture Trustee shall have any responsibility or liability to the Lessee or any other Person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, subleasing, servicing, maintenance, repair, improvement or replacement of any Units. The acceptance of any Unit by the Lessee under Section 3 hereof shall be conclusive evidence as between the Lessee and the Lessor (but not as between any party and any such manufacturer) that such Unit is in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Owner Participant or the Indenture Trustee based on any of the foregoing matters.

12.2. Compliance with Laws. The Lessee agrees, for the benefit of the Lessor, the Owner Participant and the Indenture Trustee, at all times to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all Applicable Laws of the jurisdictions in which operations involving the Units extend, including, without limitation, the Interchange Rules, to the extent applicable, and all lawful rules of the United States Department of Transportation and the ICC, to the extent that such Applicable Laws affect the title, operation or use of the Units.

### Section 13. Lease Events of Default.

The following events shall constitute "Lease Events of Default" hereunder (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) and each Lease Event of Default shall be deemed to exist and continue so long as, but only so long as, it shall not have been remedied:

- (a) the Lessee shall fail to make any payment of Basic Rent after the same shall have become due and such failure shall continue unremedied for 10 days;
- (b) the Lessee shall fail to make any payment of Stipulated Loss Value or Termination Value after the same shall have become due and such failure shall continue unremedied for 10 days;
- (c) the Lessee shall fail to make any other payment of Supplemental Rent, including indemnity or tax indemnity payments, after the same shall have become due

and such failure shall continue unremedied for a period of 30 days after receipt by the Lessee of written notice of such failure from the Lessor or the Indenture Trustee;

(d) any material representation or warranty made by the Lessee in this Lease or in the Participation Agreement proves to be incorrect in any material respect when made and such incorrectness shall continue to be material and unremedied for a period of 30 days after receipt by Lessee of written notice thereof from the Lessor or the Indenture Trustee; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Event of Default hereunder for a period of 90 days after receipt of such notice so long as the Lessee is diligently proceeding to remedy such incorrectness and such failure cannot be cured by the payment of money;

(e) the Lessee shall (i) commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect, or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or (ii) consent to any such relief or to the appointment of or taking possession by any such official in any voluntary case or other proceeding commenced against it, or (iii) admit in writing its inability to pay its debts generally as they come due, or (iv) make a general assignment for the benefit of creditors or (v) take any corporate action to authorize any of the foregoing and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all such obligations shall not have been or shall not continue thereafter to be duly assumed in writing pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee, or for the property of the Lessee, in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced;

(f) an involuntary case or other proceeding shall be commenced against the Lessee seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect, or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 90 days and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all such obligations shall not have been or shall not continue thereafter to be duly assumed in writing pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee, or for the property of the Lessee, in connection with any

such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

(g) the Lessee shall fail to observe or perform, in some material respect, any of the covenants or conditions to be observed or performed by the Lessee hereunder or under the Participation Agreement and such failure shall continue unremedied for 30 days after receipt by the Lessee of written notice from the Lessor or the Indenture Trustee, specifying the failure and demanding the same to be remedied; provided that, if such failure is capable of being remedied, no such failure shall constitute an Event of Default hereunder for a period of 180 days after receipt of such notice so long as the Lessee is diligently proceeding to remedy such failure and such failure cannot be cured by the payment of money.

#### Section 14. Remedies.

14.1 Remedies. Upon the occurrence of any Lease Event of Default and at any time thereafter so long as the same shall be continuing, the Lessor may, at its option, declare this Lease to be in default by a written notice to the Lessee; and at any time thereafter (unless the Lessee shall have remedied all Lease Events of Default prior to (i) the Equipment Notes having been accelerated pursuant to Section 4.02 of the Indenture (and such acceleration not having been rescinded pursuant to Section 4.02 of the Indenture), (ii) this Lease having been terminated pursuant to the terms of the Lease or (iii) the Equipment having been redelivered pursuant to Section 14.1(b) hereof), the Lessor may do one or more of the following as the Lessor in its sole discretion shall elect, to the extent permitted by, and subject to compliance with any mandatory requirements of, Applicable Law then in effect:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof;

(b) by notice in writing to the Lessee, terminate this Lease, whereupon all right of the Lessee to the possession and use of the Equipment shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may demand that the Lessee, and the Lessee shall, upon written demand of the Lessor and at the Lessee's expense, forthwith return all of the Equipment to the Lessor or its order in the manner and condition required by, and otherwise in accordance with, all of the provisions of Section 18 hereof; or the Lessor with or without notice or judicial process may by its agents enter upon the premises of the Lessee or other premises where any of the Equipment may be located and take possession of and remove all or any of the Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successor or assigns, to use such Units for any purpose whatever;

(c) sell any Unit at public or private sale, as the Lessor may determine, free and clear of any rights of the Lessee, in which event the Lessee's obligation to pay Basic Rent with respect to such Unit hereunder due for any periods subsequent to the date of such sale shall terminate (except to the extent that Basic Rent is to be included in computations under paragraph (e) or (f) below if the Lessor elects to exercise its rights under either of said paragraphs);

(d) hold, keep idle or lease to others any Unit as the Lessor in its sole discretion may determine, free and clear of any rights of the Lessee, except that the Lessee's obligation to pay Basic Rent with respect to such Unit due for any periods subsequent to the date upon which the Lessee shall have been deprived of possession and use of such Unit pursuant to this Section 14 shall be reduced by the net proceeds, if any, received by the Lessor from leasing such Unit to any Person other than the Lessee;

(e) whether or not the Lessor shall have exercised, or shall thereafter at any time exercise, any of its rights under paragraph (a), (b), (c) or (d) above with respect to any Unit, the Lessor, by written notice to the Lessee specifying a payment date (which date shall be a Determination Date for the purposes of computing Stipulated Loss Value) which shall be not earlier than 30 days after the date of such notice, may demand that the Lessee pay to the Lessor, and the Lessee shall pay to the Lessor, on the payment date specified in such notice, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Basic Rent and other Rent for such Unit due after the payment date specified in such notice), whichever of the following amounts the Lessor, in its sole discretion, shall specify in such notice: (i) an amount equal to the excess, if any, of the Stipulated Loss Value for such Unit, over the present value of the Fair Market Rental Value of such Unit or, if the Lessor has leased such Unit to others pursuant to paragraph (d) above, for the period of such lease the periodic rent payable thereunder, in each case for the remainder of the Base Lease Term or any Renewal Term then in effect, as the case may be, as of the payment date specified in such notice, such present values to be computed on the basis of a per annum rate of discount equal to the Late Rate, compounded periodically, from the respective dates upon which such rents would be paid; (ii) an amount equal to the excess, if any, of the Stipulated Loss Value for such Unit computed as of the payment date specified in such notice over the Fair Market Sales Value of such Unit as of the payment date specified in such notice; or (iii) an amount equal to the higher of Stipulated Loss Value for such Unit computed as of the payment date specified in such notice and the Fair Market Sales Value of such Unit as of the payment date specified in such notice, and upon payment by the Lessee pursuant to this clause (iii) of such Stipulated Loss Value or Fair Market Sales Value, as the case may be, and of all other amounts payable by the Lessee under this Lease and under the other Operative Agreements in respect of such Unit, the Lessor shall transfer without recourse or warranty all right, title and interest of Lessor in and to such Unit to the Lessee or as it may direct, and the Lessor shall execute and deliver such documents evidencing such transfer as the Lessee shall reasonably request;

(f) if the Lessor shall have sold any Unit pursuant to paragraph (c) above, the Lessor, in lieu of exercising its rights under paragraph (e) above with respect to such Unit may, if it shall so elect, demand that the Lessee pay to the Lessor, and the Lessee shall pay to the Lessor, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Basic Rent and any other Rent for such Unit due subsequent to the Rent Payment Date next preceding such sale), any accrued and unpaid Rent for such Unit arising in any period up to and including the date of such sale or, if that date is a Rent Payment Date, the Basic Rent payable in arrears due on that date, plus the amount, if any, by which the Stipulated Loss Value of such Unit computed as of the Rent Payment Date next preceding the date of such sale or, if such sale occurs on a Rent Payment Date, then computed as of such Rent Payment Date, exceeds the net proceeds of such sale; and

(g) the Lessor may exercise any other right or remedy that may be available to it under Applicable Law.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid Rent due hereunder before or during the exercise of any of the foregoing remedies, and for reasonable legal fees and other reasonable costs and expenses incurred by reason of the occurrence of any Lease Event of Default or the exercise of the Lessor's remedies with respect thereto (whether exercised by the Lessor or the Indenture Trustee), including, without limitation, the repayment in full of any reasonable costs and expenses necessary to be expended in repairing any Unit in order to cause it to be in compliance with all maintenance and regulatory standards imposed by this Lease.

14.2. Cumulative Remedies. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify any of the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims of any right to assert any offset or counterclaim against the Rent payments due hereunder, and agrees to make the Rent payments regardless of any offset or counterclaim or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Equipment. To the extent permitted by Applicable Law, the Lessee hereby waives any rights now or hereafter conferred by statute or otherwise that may require the Lessor to sell, lease or otherwise use the Equipment in mitigation of the Lessor's damages as set forth in Section 14.1 hereof or that may otherwise limit or modify any of the Lessor's rights and remedies provided in this Section 14.

14.3. No Waiver. No delay or omission to exercise any right, power or remedy accruing to the Lessor upon any breach or default by the Lessee under this Lease shall impair any such right, power or remedy of the Lessor, nor shall any such delay or omission be construed as a waiver of any breach or default, or of any similar breach or

default hereafter occurring; nor shall any waiver of a single breach or default be deemed a waiver of any subsequent breach or default.

Section 15. Assignment; Sublease; Liens; Quiet Enjoyment.

15.1. Assignment. (a) This Lease shall be assignable by the Lessor to any successor of the Lessor which may be appointed pursuant to Article IX of the Trust Agreement. The Lessee and the Lessor hereby agree that the Lessor shall be entitled to assign and convey its right, title and interest in and to this Lease and any or all Units pursuant to Section 6.1 of the Participation Agreement. The Lessor agrees that it shall not otherwise assign or convey its right, title and interest in and to this Lease, the Equipment or any Unit, except as expressly permitted by and subject to the provisions of the Participation Agreement, the Trust Agreement and the Indenture. All the rights of the Lessor hereunder shall inure to the benefit of the Lessor's successors and assigns.

(b) The Lessee may, without the consent of the Lessor, assign or transfer its leasehold interest under this Lease in the Units or possession of the Units only in accordance with Section 6.7 of the Participation Agreement.

15.2. Sublease. The Lessee may sublease (which sublease by its terms shall be subject and subordinate to this Lease and the rights and remedies of the Lessor, the Owner Participant and the Indenture Trustee hereunder and shall not extend beyond the Lease Term), or permit the use of any Unit, by a sublessee or other user, provided that the Lessee shall promptly notify the Lessor and the Indenture Trustee after entering into any sublease having a term longer than one year. No sublease of any Unit of Equipment pursuant to this Section 15.2 shall relieve the Lessee of its obligations hereunder (except to the extent such obligation is in fact performed by a sublessee), which shall be and remain those of a principal and not a surety.

15.3. Liens. The Lessee will not create or suffer to exist and as soon as possible, at its own expense, will cause to be duly discharged, any Lien which may at any time be imposed on or with respect to any Unit including any Modifications or accession thereto or the interest of the Lessor, the Owner Participant, the Indenture Trustee or any Loan Participant therein; except Permitted Liens, Lessor's Liens and Liens described in Section 6.4 of the Participation Agreement.

15.4. Quiet Enjoyment. So long as no Lease Event of Default shall have occurred and be continuing, the Lessee and any permitted sublessee or other permitted user of the Units shall be entitled to the possession and quiet use of the Units in accordance with the terms of this Lease.

Section 16. Right of Renewal.

(a) So long as no Lease Event of Default shall have occurred and be continuing at the time of notice and renewal, the Lessee shall have the right, upon no less

than 90 days' prior written notice to the Lessor, on the Base Lease Term Expiration Date, to renew this Lease with respect to any or all Units (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and either no Units or no fewer than five (5) Units to be returned to the Lessor at the end of the Lease Term) for one renewal term of a duration not less than one year selected by the Lessee on the same terms and conditions as during the Base Lease Term (the "Fixed Rate Renewal Term" and, together with the Renewal Terms permitted by Section 16(b), a "Renewal Term"); provided that (i) the aggregate duration of the Fixed Rate Renewal Term for such Units, when added to the duration of the Interim Term for such Units and the Base Lease Term for such Units, shall not exceed 80% of the useful life of such Units of Equipment at the time of such renewal and (ii) at the end of the Fixed Rate Renewal Term, the Fair Market Sales Value of such Units is reasonably expected to equal at least 20% of the Equipment Cost of such Units (determined after eliminating any inflation or deflation since the date of the purchase thereof), in each case as determined by appraisal, completed no less than one hundred twenty (120) days prior to the end of the Base Lease Term by an appraiser selected by the Lessee and acceptable to the Lessor, at rentals equal to 50% of the average annual Basic Rent of such Units over the Base Lease Term payable in semiannual payments in arrears on the dates on which such Basic Rent was payable for such Units in each year of the Base Lease Term.

(b) So long as no Lease Event of Default shall have occurred and be continuing at the time of notice and renewal, the Lessee shall have the right, upon no less than 90 days' prior written notice to the Lessor, on the Base Lease Term Expiration Date and at the end of any prior Renewal Term, to renew this Lease with respect to any or all Units (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and either no Units or no fewer than five (5) Units to be returned to the Lessor at the end of the Lease Term) for one or more successive terms of a length selected by the Lessee of at least one year on the same terms and conditions as during the Base Lease Term, except that the rent will be equal to the Fair Market Rental Value of the applicable Units.

(c) The amounts which are payable during any Renewal Term in respect of Termination Value and Stipulated Loss Value with respect to each Unit shall be determined on the basis of the Fair Market Sales Value as of the applicable Renewal Term Commencement Date and amortized on a straight-line basis over such Renewal Term to the projected Fair Market Sales Value of the Unit as of the expiration of such Renewal Term.

(d) The Lessee may tentatively elect to exercise more than one of its then available renewal and purchase options. If the Lessee shall do so at the earlier of (1) five Business Days after all relevant amounts have been determined and (2) thirty (30) days prior to the end of the Lease Term, the Lessee shall irrevocably choose one of its renewal or purchase options. For example, 90 days prior to the end of the Base Lease Term, the Lessee could elect a Fixed Rate Renewal for two-years pursuant to Section 16(a), a five-year renewal pursuant to Section 16(b), a ten-year renewal pursuant to Section 16(b) and to

purchase the Units pursuant to Section 17(a)(ii). By the time set forth in the previous sentence, the Lessee would be required to choose one of the options.

Section 17. Purchase Options.

(a) The Lessee shall have the right (i) on the EBO Date, by written notice delivered to the Lessor not less than 30 days prior to such EBO Date, to elect to purchase any or all of the Units then subject to this Lease (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and either no Units or no fewer than five (5) Units to be returned to the Lessor at the end of the Lease Term) in the fixed amounts set forth in Schedule 6 to the Participation Agreement payable in immediately available funds on such EBO Date; (ii) on the Base Lease Term Expiration Date, by written notice delivered to the Lessor not less than 90 days prior to such Base Lease Term Expiration Date, to elect to purchase any or all of the Units then subject to this Lease (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and either no Units or no fewer than five (5) Units to be returned to the Lessor at the end of the Lease Term) at the current Fair Market Sales Value of such Units on such Base Lease Term Expiration Date; and (iii) on the last day of any Renewal Term, by written notice delivered to the Lessor not less than 90 days prior to such Renewal Term Expiration Date, to elect to purchase any or all of the Units then subject to this Lease (such Units to be selected on a random basis by a method mutually acceptable to the Lessee and the Lessor at the time the option is exercised and either no Units or no fewer than five (5) Units to be returned to the lessor at the end of the Lease Term) at the Fair Market Sales Value of such Units on such last day of the applicable Renewal Term. In addition, the Lessee shall pay any accrued and unpaid Basic Rent due and payable in arrears on the EBO Date and all other Supplemental Rent due and owing on such EBO Date.

(b) Upon payment for any Unit pursuant to such exercise by the Lessee of its right to purchase such Units, the Lessor shall execute and deliver to the Lessee, or upon request of the Lessee, to the Lessee's assignee or nominee, a bill of sale (without warranties except as hereinafter provided in this sentence) for such Units such as will transfer to the Lessee title to such Units on an "AS-IS", "WHERE-IS" basis, free and clear of all claims, liens, security interests and other encumbrances created by or arising through the Lessor, other than claims, liens, security interests and encumbrances which the Lessee is obligated to pay or discharge under or pursuant to this Lease. The Lessor shall not be required to make any other representation or warranty as to the condition of the Units, and may specifically disclaim any such representations or warranties. Such bill of sale shall be accompanied by a certificate of the Lessor to the effect that the Lessor is authorized to complete such transaction and represents and warrants that the title to such Equipment is free and clear of all Lessor's Liens.

Section 18. Return of Units upon Expiration or Termination of Lease Term.

(a) Upon the expiration or earlier termination of the Base Lease Term or last Renewal Term with respect to any Units then subject to this Lease and 180 days' prior written notice to the Lessor and the Owner Participant, the Lessee will, at its own cost and expense, deliver possession of such Units (if not purchased by the Lessee) to the Lessor at up to three locations selected by the Lessor from a list of five locations on the Lessee's lines selected by the Lessee. Upon 90 days' notice from the Lessor, at the end of the Lease Term, the Lessor may store such Units on tracks on the Lessee's lines selected by the Lessee for a period not exceeding 30 days after such Units have been returned to the Lessor (during such period the Lessee shall maintain the insurance required by Section 9 hereof). No additional storage will be available to the Lessor after such storage period. During such storage period, the Lessee shall move the Units to any place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as reasonably directed by the Lessor and as reasonably acceptable to the Lessee. The first movement of the Units requested by the Lessor prior to the end of the storage period and storage during the storage period of such Units shall be at the expense and risk of the Lessee; all subsequent movements shall be at the Lessor's risk and expense. In the event that any Unit shall suffer an Event of Loss during such storage period, the Lessee shall pay the Lessor the Stipulated Loss Value set forth opposite the last Stipulated Loss Payment Date set forth on Schedule 4 to the Participation Agreement. During any such storage period the Lessee will permit the Lessor, the Owner Participant, the Indenture Trustee or any Person designated by any of them, including the authorized representatives of any prospective purchaser, lessee or user of such Units, to inspect the same at reasonable times at such storage locations; provided, however, that the Lessee shall not be liable, except in the case of willful misconduct, negligence or strict liability of the Lessee or of its employees or agents, for any injury to, or the death of, any Person exercising, on behalf of either the Lessor, the Owner Participant, the Indenture Trustee or any prospective purchaser, lessee or user, such rights of inspection.

(b) Except as hereinafter provided in this Section 18, each Unit returned to the Lessor pursuant to this Section 18 shall (except for additions, modifications and improvements which the Lessee is entitled to remove and does remove pursuant to Section 21 hereof) be in the condition required by Section 7.1 hereof and free and clear of all Liens except Lessor's Liens.

(c) In the event any Unit is not returned on the last day of the Base Lease Term or last Renewal Term, as the case may be, the Lessee shall pay to the Lessor as liquidated damages and not as a penalty, an amount equal to (A) for the first 90 days the daily equivalent of 50% of the average annual Base Rent (or 100% of renewal Rent, if the Unit is returned after a Renewal Term) and (B) thereafter, the greater of (i) 50% of the average annual Base Rent (or 100% of renewal Rent, if the Unit is returned after a Renewal Term), and (ii) the Fair Market Rental Value for such Unit.

(d) Concurrently with each delivery of a Unit to the Lessor hereunder, if requested by the Lessor, the Lessee will deliver to the Lessor copies of all records in its possession relating to the repair and maintenance history of such Unit.

Section 19. Recording.

19.1. Filings. Prior to the Debt Closing Date, the Lessee will (i) cause this Lease and the Indenture, or memoranda thereof, to be duly filed and recorded with the ICC in accordance with 49 U.S.C. § 11303, (ii) cause this Lease and the Indenture, or memoranda thereof, to be deposited with the Registrar General of Canada pursuant to Section 90 of the Railway Act of Canada and cause notice of such deposit to be forthwith given in The Canada Gazette in accordance with said Section 90, (iii) cause such filings and notices to be filed or made as necessary or appropriate to perfect the right, title and interest of the Indenture Trustee in the Indenture Estate and to protect the interests of the Owner Participant, and (iv) cause Uniform Commercial Code financing statements naming the Owner Trustee as debtor and the Indenture Trustee as secured party to be filed in such public offices as are deemed necessary or appropriate by the Lessor, the Indenture Trustee and the Owner Participant to perfect the right, title and interest of the Indenture Trustee in the Indenture Estate and precautionary Uniform Commercial Code financing statements naming the Lessee as debtor, the Owner Trustee as secured party and the Indenture Trustee as assignee of the secured party to be filed in such public offices as are deemed necessary or appropriate by the Indenture Trustee, the Owner Trustee and the Owner Participant to perfect the right, title and interest of the Indenture Trustee as assignee of the Owner Trustee in the Equipment.

19.2. Additional Filings. On or prior to any Funding Date, the Lessee will, if necessary, (i) cause the Lease Supplement (or memorandum thereof) dated such Funding Date and the Indenture Supplement (or memorandum thereof) dated such Funding Date to be duly filed and recorded with the ICC in accordance with 49 U.S.C. § 11303, (ii) cause the Lease Supplement (or memorandum thereof) dated such Funding Date and the Indenture Supplement (or memorandum thereof) dated such Funding Date to be deposited with the Registrar General of Canada and cause notice of such deposit to be forthwith given in The Canada Gazette pursuant to Section 90 of the Railway Act of Canada, and (iii) cause such filings and notices to be filed or made as necessary or appropriate to perfect the right, title and interest of the Indenture Trustee in the Indenture Estate and to protect the interests of the Owner Participant, file, register or record the Lease Supplement dated such Funding Date and the Indenture Supplement dated such Funding Date, and all financing and continuation statements and similar instruments, in such other places within the United States and Canada as the Lessor, the Indenture Trustee and the Owner Participant may reasonably request, and will furnish the Lessor and the Indenture Trustee proof thereof.

19.3. Further Assurances. The Lessee will duly execute and deliver to the Lessor such further documents and assurances and take such further action as the Lessor may from time to time reasonably request in order to effectively carry out the intent and purpose

of this Lease and to establish and protect the rights and remedies created in favor of the Lessor hereunder.

19.4. Expenses. Except as otherwise provided in Section 2.6 of the Participation Agreement, the Lessee will pay all costs, charges and expenses (including reasonable attorneys' fees) incident to any such filing, refiling, recording and rerecording or depositing and re-depositing of any such instruments or incident to the taking of such action.

Section 20. Investment of Security Funds; Miscellaneous.

Any moneys received by the Lessor or Indenture Trustee pursuant to Section 9.2 hereof which are required to be paid to the Lessee after completion of repairs to be made pursuant to Section 9.2 hereof (together with any gain (including interest received) as the result of any such investment (net of any fees, commissions and other expenses, if any, incurred in connection with such investment) shall, until paid to the Lessee as provided in Section 9.2 hereof or as otherwise applied as provided herein or in the Trust Agreement or Indenture, be invested and reinvested in Permitted Investments by the Lessor as security for the obligations of the Lessee (unless the Indenture shall not have been discharged, in which case, by the Indenture Trustee as provided in Section 6.04(b) of the Indenture) from time to time as directed in writing by the Lessee so long as no Lease Event of Default has occurred and is continuing if such investments are reasonably available for purchase. The Lessee will promptly pay to the Lessor or the Indenture Trustee, as the case may be, on demand, the amount of any loss realized as the result of any such investment (together with any fees, commissions and other expenses, if any, incurred in connection with such investment), such amount to be disposed of in accordance with the terms of the Trust Agreement and the Indenture.

Section 21. Modifications.

21.1. Required Modifications. In the event the United States Department of Transportation, or any other United States governmental agency having jurisdiction over the operation, safety or use of railroad equipment requires that any Unit be altered, replaced or modified (a "Required Modification"), the Lessee agrees to make such Required Modification at its own expense; provided, however, that any such Required Modifications are required to be completed prior to the end of the Lease Term and, provided further that the Lessee may, in good faith and by appropriate proceedings diligently conducted, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner which does not interfere with the use, possession, operation or return of any Unit or otherwise adversely affect the rights or interests of the Lessor and the Indenture Trustee in the Equipment or hereunder or otherwise expose the Lessor, the Indenture Trustee or any Participant to criminal sanctions or relieve the Lessee of the obligation to return the Equipment in compliance with the provisions of Section 7.1 hereof. Subject to Section 21.3 hereof, title to any Required Modification shall immediately vest in the Lessor. If the Lessee determines that a Required Modification to any or all Units is not economically practical, on not less than 30 days' prior written notice to the Lessor and the Indenture Trustee, the

Lessee may purchase all of such Units requiring a Required Modification on any subsequent Rent Payment Date. The purchase price for such Units shall be the greater of (i) the Fair Market Sales Value of such Units (determined without regard to the Required Modification) and (ii) the then-applicable Termination Value of such Units. In addition, on the purchase date, the Lessee shall pay to the Lessor (i) all other Supplemental Rent due and owing on such purchase date, including the Make-Whole Premium, if any, due on the Equipment Notes and (ii) any Basic Rent due and payable in arrears on or prior to such purchase date. Upon payment of such amount Lessor shall execute and deliver in accordance with Section 17(b) hereof a bill of sale.

21.2. Optional Modifications. The Lessee at any time may modify, alter or improve any Unit provided such modification, alteration or improvement does not reduce the value, utility or remaining useful life of such Unit or result in such Unit becoming "limited use property" (a "Modification"). Title to any Non-Severable Modifications shall be immediately vested in the Lessor. Ownership and title to any Severable Modifications shall remain with the Lessee. The Lessee may remove, such Severable Modifications at the Lessee's cost and expense.

21.3. Removal of Proprietary and Communications Equipment. Notwithstanding anything to the contrary contained herein, the Lessee shall at all times own and be entitled to remove, at the Lessee's cost and expense, any Severable Modification consisting of proprietary or communications equipment from any Unit prior to the return of such Unit; provided that if the Lessee removes such Severable Modification that is a Required Modification, the Lessee shall replace such proprietary or communications equipment with non-proprietary equipment having a similar utility, value and remaining useful life as the equipment which was replaced.

Section 22. Interest on Overdue Rent.

Anything to the contrary herein contained notwithstanding, any nonpayment of Rent or other obligation due hereunder or under the Tax Indemnity Agreement shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount on the overdue rentals and other obligations for the period of time during which they are overdue at the Late Rate.

Section 23. Notices.

All communications and notices provided for herein shall be in writing and shall become effective when delivered by mail, by hand or by any other means of communication of written notice, addressed as follows:

- (a) if to the Lessor, at 777 Main Street, Hartford, Connecticut 06115, Attention of Corporate Trust Administration, with copies to Shipman & Goodwin, One American Row (9th Floor), Hartford, Connecticut (Attention: Thomas F. Tresselt) and to the Owner Participant at its address set forth in clause (c) below;

(b) if to the Lessee, at 165 North Canal Street, Chicago, Illinois 60606, Attention of Vice President-Finance;

(c) if to the Owner Participant, at c/o Credit Suisse, Tower 49, 12 East 49th Street, New York, New York 10017, Attention: Director - Credit Suisse Leasing; and

(d) if to the Indenture Trustee, at 311 West Monroe Street, Chicago, Illinois 60606, Attention: Indenture Trust Division;

or addressed to any party at such other address as such party shall hereafter furnish to the other parties in writing. Copies of each such notice shall be given to the Indenture Trustee at the address set forth in clause (d).

Section 24. Severability; Effect and Modification of Lease; Third-Party Beneficiaries.

Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, the Tax Indemnity Agreement, the Indenture and the Pass Through Trust Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

Nothing in this Lease shall be deemed to create any right in any Person not a party hereto (other than the Owner Participant, the Indenture Trustee, the Loan Participants and their permitted successors and assigns), and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of a third party except as aforesaid.

The parties hereto intend this instrument to be a true lease including a "true lease" for federal income tax purposes and not a "conditional sale", that the rights conferred upon the Lessee in the Units are only a leasehold interest for the term of this Lease and that Owner Participant shall at all times be considered to be the owner of each Unit which is the subject of this Lease for the purposes of all Federal, state, city and local income taxes or for franchise taxes measured by income, and that this Lease conveys to Lessee no right, title or interest in any Unit except as Lessee.

Section 25. Immunities.

Anything herein to the contrary notwithstanding, each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are made and intended not as personal representations, warranties, undertakings and agreements by the Owner Trustee in its individual capacity nor for the purpose or with the intention of binding it personally but are made and intended for the purpose of binding only the Trust Estate as such term is defined in the Trust Agreement, and this Lease is executed and delivered by the said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of willful misconduct or gross negligence by said bank, no personal liability or personal responsibility is assumed hereunder by or shall at any time be enforceable against the said bank, on account of any representation, warranty, undertaking or agreement hereunder of the Lessor, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived by the Lessee and by all Persons claiming by, through or under the Lessee; provided that the Lessee or any Person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

Section 26. Execution.

This Lease may be executed by the parties hereto in separate counterparts, each of which, subject to Section 29 hereof, when so executed and delivered shall be an original, but all such counterparts together constituting one and the same instrument. It shall not be necessary that any counterpart be signed by both parties hereto so long as each party hereto shall have executed and delivered one counterpart hereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates shown below their signatures.

Section 27. Governing Law.

The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of New York; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. Section 11303 or any applicable Federal statute, rule or regulation and such additional rights arising out of the filing or deposit hereof, if any, and of any assignment hereof and any markings on the Units as shall be conferred by the laws of the several jurisdictions in which this Lease or any assignment hereof shall be filed or deposited.

Section 28. The Lessor's Right to Perform.

If the Lessee fails to perform or comply with any of its agreements contained herein, the Lessor, the Owner Participant or the Indenture Trustee may (but shall have no obligation to do so) upon notice to the Lessee, and without releasing the Lessee from any of its obligations hereunder, perform or comply with such agreement, and the amount of the

reasonable costs and expenses (including reasonable counsel fees, if any) incurred in connection with such performance or compliance, together with interest on such amount at the Late Rate, shall be deemed to be Supplemental Rent, payable by the Lessee upon demand. No such performance or compliance by the Lessor, the Owner Participant or the Indenture Trustee shall be deemed a waiver of any rights and remedies against the Lessee hereunder nor be deemed to cure any default by the Lessee hereunder.

Section 29. Security for Lessor's Obligation to Holders of Equipment Notes.

In order to secure all amounts payable by and all obligations to be performed by Lessor under the Indenture, Lessor has agreed in the Indenture, among other things, to grant a security interest in favor of the Indenture Trustee in all Units of Equipment and this Lease, subject to the reservations and conditions therein set forth. To the extent, if any, that this Lease constitutes chattel paper (as such term is defined in the Uniform Commercial Code as in effect in any applicable jurisdiction), no security interest in this Lease may be created through the transfer or possession of any counterpart hereof other than the original counterpart, which shall be identified as the counterpart containing the receipt therefor executed by the Indenture Trustee on the signature page thereof.

Section 30. Successors and Assigns.

This Lease shall be binding upon and shall inure to the benefit of, and shall be enforceable by, the parties hereto and their respective permitted successors and assigns.

Section 31. Survival.

All warranties, representations, indemnities and covenants made by any party hereto, herein or in any certificate or other instrument delivered by any such party or on behalf of any such party under this Lease, shall be considered to have been relied upon by the other party hereto and shall survive the consummation of the transactions contemplated hereby on the Debt Closing Date and each Funding Date regardless of any investigation made by any such party or on behalf of any such party and the termination and expiration of any Operative Agreement and full payment of all amounts payable under the Operative Agreements.

Except in connection with Section 14 of the Lease, Fair Market Rental Value or Fair Market Sales Value of any Unit shall be determined on the assumption that such Unit is in the condition and state of repair required under Section 7.1 of the Lease and that Lessee is in compliance with the Lease and the other Operative Agreements. For purposes of Section 14 of the Lease, Fair Market Rental Value or Fair Market Sales Value of any Unit shall be determined based on such Unit's actual condition and the existence of any Liens (other than Lessor's Liens). If, after 20 days from the giving of notice by the Lessee of the Lessee's election to extend the term of the Lease or the giving of notice by the Lessee that it intends to purchase Units, as permitted under the Lease, the Owner Participant and the Lessee are unable to agree upon a determination of the Fair Market Rental Value or Fair Market Sales Value of the Units, such rental or purchase price shall be determined in accordance with the foregoing definition by the following procedure: If either the Owner Participant or the Lessee shall have given written notice to the other requesting determination of such rental or purchase price by this appraisal procedure, such parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 15 Business Days after such notice is given, each such party shall appoint an independent appraiser within 20 Business Days after such notice is given, and the two appraisers so appointed shall within 15 Business Days after such notice is given appoint a

third independent appraiser. If no such third appraiser is appointed within 15 Business Days after such notice is given, either such party may request the American Arbitration Association to make such appointment, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental Value or the Fair Market Sales Value, as the case may be, of the Units then to be appraised, within 30 days after his or their appointment. If such parties shall have appointed a single appraiser or if either such party shall have failed to appoint an appraiser, the determination of Fair Market Rental Value or Fair Market Sales Value, as the case may be, of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from that of the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding as the Fair Market Rental Value or Fair Market Sales Value, as the case may be. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental Value or Fair Market Sale Value, as the case may be, and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. If a mutually acceptable appraiser is selected, Lessor and Lessee shall each bear one-half of the cost thereof. If three appraisers are selected as provided above, the Lessee shall bear the cost of the appraiser selected by Lessee, the Lessor shall bear the cost of the appraiser selected by Lessor and the Lessee and the Lessor shall equally share the cost of the third appraiser. If such appraisal is in connection with the exercise of remedies set forth in Section 14 of the Lease, the Lessee shall pay the costs of such appraisal. Notwithstanding any of the foregoing, for the purposes of Section 14 of the Lease, the Fair Market Rental Value or the Fair Market Sales Value, as the case may be, shall be zero with respect to any Unit if Lessor is unable to recover possession of such Unit within thirty (30) days after demand therefore in accordance with the terms of paragraph (b) of Section 14.1 of the Lease.
